

WINE CRUISE IN PARTNERSHIP WITH COMITATO GRANDI CRU D'ITALIA
From Barcelona to Barbados – 16 days cruise – Departure day: 5 November 2016

Silversea is delighted to announce the first propaedeutic sommelier's course on board Silver Spirit, departing from Barcelona, exploring the sights of Spain, Gibraltar, Morocco, and the Canary Islands before crossing the Atlantic to Barbados.

With subject ranging from varieties and unique features glasses, colors and even decanters shapes, enlightening sessions are punctuated with wine tastings, food pairings and vineyards visits.

ASPI will provide Silversea's exclusive introductory sommelier course, valuable during our two wine-focused shore excursions.

Comitato Grandi Cru d'Italia has sourced many of Italy's finest wines from the cellars of its members in the hope of surprising and satisfying our guests.

En route, enjoy wine courses and pairings, plus learn from noted sommeliers: Italy's best, Gennaro Buono; and 1978's world's best, Giuseppe Vaccarini, president of ASPI (Associazione Della Sommelierie Professionale Italiana).
